SET-UP INSTRUCTIONS

1

SET UP THE FRAME

xperience. Frame

2

INSTALL THE CHANNEL BARS

groove towards the top

groove towards the floor

Back horizontal channel bars are included with the backlit xperience frames. For double-sided straight or curved xperience, they must be ordered separately.

DOUBLE-SIDED STRUCTURE

Top and bottom back horizontal channel bars and ACP040 raising blocks must be ordered separately.
The raising blocks push the channel bars away from the structure for an optimized rendering. To be installed between the structure and the channel bars.
Order 4 ACP040 blocks for the 3x3 curved structure and 6 for the 4x3 curved structure.
